

5 Seconds

by Aurora Harkleroad

DING!

If only
I could turn
back 5 seconds
ago

If I turned the rest of the world back 5 seconds, piece by piece, maybe, just maybe, I can regain my breakfast

Go back to your place!

Go back to where you were five seconds ago

Well? Are you going to? I can't freeze you where you are now.

Nevermind!

Go back to where you just were!

Put that man back in prison!

It's been ten years I'm leaving

Stop fighting!

You weren't five seconds ago.

Come back to life!
